

SUBJECT: Invitation for Participation in The SilverZone International Olympiads, 2022- 2023

SilverZone Foundation is a registered trust (Regn.1533 under government of NCT) committed to the cause of inspiring and popularising the study of Computer Science, Science, Social Studies, Mathematics, English, Hindi, General knowledge, Reasoning and STEM- (SCIENCE, TECHNOLOGY, ENGINEERING AND MATHEMATICS), among the students of today.

For the last 19 years, SilverZone has organised and conducted international Olympiads in different subjects, focusing on CBSE/ ICSE and other state board syllabus, to assess and enhance the students' academic level with international standards.

In its 19th year, SilverZone Foundation stands solitary at the top for being the organiser of one of the biggest and the most popular Olympiads, leaping across all the boundaries. For your academic interest, more than 10 million students from 12,000 plus schools, not only from India but also from the USA, UK, Japan, Middle East, Indonesia, Africa and other neighbouring countries participated in different Olympiads conducted by the foundation.

SilverZone Foundation invites your participation in the International Olympiads 2022. It lets your students check their mettle both on national and international scales. Therefore, we request you not to miss the opportunity that comes on your way only once a year. For your ready reference, given below are the dates of various Olympiads and contact details for your registration and queries, if any.
