

DON BOSCO SENIOR SECONDARY SCHOOL

Plot No. 8, Sector 42A, Nerul, Navi Mumbai

Date: 30th August, 2022

Dear Parents,

We have received several complaints and it has also been observed by the School Authorities that many parents who are coming to drop and pick up their children (especially two wheelers) are driving on the wrong side of the road. This is a very dangerous act and may result in serious accidents. You are requested to take note and follow the traffic rules.

Parents are also requested not to wait, stop or park in front the school gate as this causes an inconvenience to the students walking into the school. You are requested to cooperate with the volunteer PTA members and school staff who are directing the traffic.

Thanking You,

Principal
