

SUBJECT: Invitation for Participation in VIDYARTHI VIDYA MANTHAN, Science Talent Search Examination 2022-23

Vidyarthi Vidya Manthan (VVM) is a initiative of Vijnana Bharati (VIBHA), in collaboration with Vigyan Prasar, an autonomous organization under the Department of Science and Technology, Government of India and National Council of Educational Research and Training (NCERT), an institution under the Ministry of Education (earlier known as Ministry of Human Resources and Development). VVM is a national program for popularizing science among school students of standard VI to XI, conceptualised to identify the bright minds with a scientific aptitude among the student community.

Students who wish to participate in the VVM exam will be evaluated with his/her class peers at the following stages: School level, State Level, National Level

School Level Examinations (Junior and Senior)

There will be only one examination for a total of one hour thirty minutes duration at school level with 100 multiple choice questions, each weighted one mark. Examination will consists of Two Segments viz. Section A (comprising of 40 marks questions from study material Indian Contributions of Science; Life story of Sir Chandrasekhara Venkata Raman and India's Freedom Struggle and Science (August 2022 issue) provided by Vijnana Bharati) and Section B (comprising of 60 questions based on Text Books of NCERT Curriculum and Logic and Reasoning(open source)). The exam will be conducted separately for Junior Group (VI to VIII) and for Senior Group (IX to XI). Evaluation of the students will be based on their individual performance at each level.
