

DOMINIC SAVIO KINDERGARTEN, NERUL

NOTICE

CCA – ORIGAMI

Dear Parents,

Dominic Savio Kindergarten, Nerul is organizing CCA – Fun with Origami (Paper folding) for Pre – Preparatory and Preparatory students on Thursday, 29th September 2022 during school hours.

Origami is the art of paper folding. The name derives from the Japanese words Ori (“folding”) and kami (“paper”). This activity will trigger their imagination and enhance their creative skills. The paper folding craft will not only be a fun-filled experience, but it will also prove to be a valuable means to develop artistic skills in children.
