EVENT - FRUIT SALAD DAY

Date: - 17th September 2022

Dear Parents,

To educate about the importance and consumption of fruits in regular diet, we are celebrating Kindergarten Fruit Salad Day & Fruit Market Day on **Tuesday, 20th September 2022**. The objective of celebrating Fruit Salad Day and Market Day is to help students understand the importance of fruits in our lives and how they are being sold in the market.

Parents are requested to send their child's favourite fruits in their tiffin box. Fruits are to be washed, cut into pieces, and sent in their tiffin.

We look forward to your enthusiastic support to make this day a success.

Thank you.
